The city offers many exciting experiences, from art to traditional cuisine, and from mediaeval and renaissance architecture to thermal spas nearby.

18.1 km

VITERBO -> VETRALLA

Leaving Viterbo you take country lanes that pass through vineyards and olive groves. Along the route and not far from the city, it may be possible to visit an ancient Etruscan tomb. The rest of the road proceeds smoothly through fields and woods to Vetralla, a fortified town in the heart of the ancient Etruscan territories that existed before the rise of the Roman Empire.

Day

3

22.8 km

VETRALLA -> SUTRI

From Vetralla, you pass through a forest to the Church of the Virgin of Loreto. Then you walk through extensive hazel groves, passing monumental oak trees, to arrive at the Orlando towers. These are the ruins of an ancient, long-abandoned monastery. You continue to the charming town of Capranica, and you finally reach the walled town of Sutri, known for its Etruscan amphitheatre and archaeological park.

Day

4

27.7 km

SUTRI -> CAMPAGNANO DI ROMA

You start by walking along country lanes and tracks to the village of Monterosi, near a beautiful lake with an endless expanse of water lilies. You continue your journey through fields to Monte Gelato Waterfall in a park area where you can rest and have a refreshing paddle. Then you enter Veio Park, a protected area, and follow a riverside track through woodland to the hilltop town of Campagnano, where you will rest for the night.

Day

5

21.9 km

CAMPAGNANO DI ROMA -> ISOLA FARNESE

Leaving Campagnano you have panoramic views over the beautiful countryside of Lazio before entering Veio Park, where you can visit the Sanctuary of 'Madonna Del Sorbo'. You then pass through the walled old town of Formello and take tracks through fields down to the river Valchetta, on to charming town of Isola Farnese and onwards to La Storta.

Day

6

19.7 km

ISOLA FARNESE -> ROME

This last stage of your trip crosses the suburbs to arrive at the centre of Rome. You also pass through Monte Mario Park where you have amazing views of the entire city of Rome and can admire, for the first time, the dome of St Peter's Church. Then you descend from the park and make your way through the city streets to St Peter's Square – your final goal!

Day

km

ROME

Today, we bid you arrivederci! Before you go, take this opportunity to explore the ancient city and its many churches. As you will have walked the Way of St Francis, visit the Basilica of St John Lateran where, in the fourth Chapel, there is a painting of St Francis receiving the stigmata and also in the park outside there is a large statue of St Francis that, if you stand behind at a certain distance, it looks as if he is holding up the church. You can extend your stay here with our many accommodation options for a few days to give you time to see some of the magnificent art and architecture of the city.
